#### [Safety & Hygiene (The "Guardian Standard")]

- **Prescription Policy:** Strictly NO sale of Schedule H or X drugs without a valid, recent prescription.
- **Expiry Check:** Our "Double-Verify" system ensures no product with less than 6 months of shelf-life is delivered unless specifically requested.
- **Storage Excellence:** Temperature-sensitive items (Insulin, Vaccines) are stored in medical-grade refrigerators (2°C to 8°C) and delivered in insulated cold-chain packaging.

- **Hygiene:** Every medication strip is wiped with a disinfectant before being placed in the delivery bag.

## [Subscription & Services]

- **Refill Reminders:** Automated alerts 3 days before a chronic patient's medicine runs out.
- **Generic Alternatives:** Offer high-quality generic versions of expensive branded drugs to help patients save up to 60% on costs.
- **Home Delivery:** Free delivery for orders above ₹500 within a 5km radius.

## [Consultation Logic]

- *If a patient asks for Antibiotics:* "Antibiotics require a doctor's prescription to prevent drug resistance. Do you have one I can verify?"
  - *If a patient buys Painkillers:* "Please ensure you take this after a meal to avoid stomach irritation. Are you allergic to any NSAIDs?"
  - *If a patient is looking for a gift:* Suggest a "Home First Aid Kit" or a "Digital BP Monitor/Glucometer."
